

Dreams can come true!

We have always wanted to live in the country and so after 50 odd years of inner city living, we have found our ideal life here at Flordevida.

Beautiful mountains, surrounded by orange and lemon groves, starlit nights and sandy beaches only ten minutes drive away.

We have been here now 13 months after selling our old Victorian house enabling us to retire early.

People ask us 'what do you find to do all day?' our answer is "enjoy it" there never seems to be enough hours in the day, always like minded people to chat with or to share a bottle of wine or a couple of beers with.

When we first viewed "Flordevida" we had a vision of what it would eventually be like and it's certainly living up to our expectations. So if you crave for the good life, good friends and the real Spain, come and join us, you certainly won't regret it.
