

Living in Spain

We have had our annual holidays in Spain for the last 25 years and our dream was to live here one day.

In 2005 our eldest daughter and her husband moved to Spain and whilst holidaying with them we took the opportunity to check out “flordevida” having previously found their website.

We had already decided that we would like to follow our daughter out to Spain and had previously looked around a few apartments and villas. However, once we visited “Flordevida” we knew this was where we wanted to spend the rest of our lives !

We have the best of everything here – a lovely home nestled in the countryside, set amongst orange and lemon groves, yet only a 10 minute drive to the picturesque coast of Almeria, specifically the town of Aguilas.

Our neighbours are friendly and the Spanish people welcoming. Flordevida is a lovely quiet site, surrounded by rolling hills and land laid over to agriculture, offering plenty of places to walk or quad bike to!

We would recommend living at Flordevida to anyone. We are living a life we never dreamt possible had we stayed in England
